MEMORANDUM FOR: Deputy Director for Administration

25X1 FROM: 

Director of Security

SUBJECT: Office of Security Significant Activities
Week of 8 - 15 April 1987

2. The activities of the Office of Security (OS) during the week of 8 - 15 April were highlighted by the following items:

25X1 

*c. On 15 April, representatives of the Offices of Security and General Counsel met with senior Department of Justice (DoJ) attorneys to discuss aspects of the draft Executive order for standards for access to classified information. The order, as drafted, contains provisions in significant conflict with DCI responsibilities and CIA equities. Although no final agreement was reached, the DoJ attorneys now responsible for the order were made fully aware of CIA concerns. In addition, they were provided with alternative language which we hope will form the basis for appropriate changes to the order. We will continue to work with DoJ in this matter.
